Consisting of three sequential plays (*Voyage*, *Shipwreck*, and *Salvage*), *The Coast of Utopia* is a dramatic biography of a group of nineteenth-century Russian radicals and focuses on their efforts to create political change in a country ravaged by poverty, injustice, and centuries of reactionary Tsarist rule. Like Berlin, Stoppard focuses on the lives of, among others, the revolutionary anarchist Mikhail Bakunin (the so-called "father of anarchism" and founder of Russian populism), the socialist philosopher and editor Alexander Herzen, the literary critic Vissarion Belins, and the novelist Ivan Turgenev. It is Herzen who is clearly at the center of the trilogy and serves as the playwright's primary spokesperson and philosophical muse.
