

This PDF is a selection from an out-of-print volume from the National Bureau of Economic Research

Volume Title: Small Differences That Matter: Labor Markets and Income Maintenance in Canada and the United States

Volume Author/Editor: David Card and Richard B. Freeman

Volume Publisher: University of Chicago Press

Volume ISBN: 0-226-09283-6

Volume URL: <http://www.nber.org/books/card93-1>

Conference Date: Jan 23-25, 1991

Publication Date: January 1993

Chapter Title: List of Contributors, Indexes

Chapter Author: David Card, Richard B. Freeman

Chapter URL: <http://www.nber.org/chapters/c11151>

Chapter pages in book: (p. 267 - 277)

Contributors
